## Changing lives with the YES Summer Camps

This year, GVC helped sponsor 10 teens to leadership camps offered by the Youth Excellence Society. We're pleased to share two letters of thanks sent by two of the sponsored youth.

Dear GVC,  
The Yes Camp this year was even more memorable than previous years. I learned so much about cooperation and problem solving. Yes Camp is a life changing experience and the fact that I got to experience it three times is true blessing. My favourite part this year was the bonds I made and built from new and old friends. Being around such amazing people makes my heart fill with love and lets me really be myself which is really hard to do in regular day life. So, thank you for sending me to camp. I am internally grateful. Aydan

Dear GVC Credit Union,  
The Yes Camp this week was amazing and I loved every second of it. We did many things this week at camp including canoeing, learning about team work and we had many dance parties. Something that really stood out to me this week was called words of affirmations. This activity was when we had partners and one partner was on the inside of the circle and the other person was on the outside. The outside circle got words of affirmations to whisper into the inside circle and then we switched. Everyone got amazing compliments and it was so amazing to hear words like you're beautiful or your true colours shine through. This was amazing to hear because everyone said it was so meaningful and not many people hear those type of words very much or for me never. My favourite memory at camp was the dance parties because everyone is included in them and is supportive of one another. I am returning home with a positive attitude and a new perspective on life. I would like to thank GVC Credit Union for giving me the opportunity to let my true colours show. With great gratitude, Stephanie
