Important changes to USD/foreign wire routing instructions

In February this year, due to an unexpected change with our USD/foreign wire transfers provider, routing instructions will need to be updated for all regularly occurring incoming wire transfers.

All members who receive incoming USD/foreign wire transfers must provide updated routing instructions to the business(es) or individual(s) from whom they receive funds.

If you receive USD/foreign wire transfers and have not yet obtained the new routing information, please contact your branch representative for support today.

Is Your Property Insurance Adequate?

A reminder to all property owners, and especially family home owners, that it is your responsibility to carry adequate replacement-value insurance on your property. If you have a mortgage with GVC, under the terms of your mortgage agreement, you must provide the credit union with a copy of your current policy showing GVC Credit Union as the appropriate loss payee.

All insurance policies concerning "real estate" property must contain a standard mortgage clause. If you are not sure about the adequacy of your insurance, please contact us and we will assist you. Otherwise, please ask your insurance agent to forward a copy of your existing coverage to your branch as soon as possible.
